**TO WHOMSOEVER IT MAY CONCERN**

The CGI, Sydney appreciates Australia-India Sports, Education and Cultural Society (AISECS) for its contribution towards strengthening Indian-Australian community engagement by providing selfless service in the fields of sports, education, and culture.

It is heartening to see that AISECS has closely worked with international students and has been forthcoming to assist and support them in these challenging times.

We commend the organisation for its services to the society. We wish AISECS all the very best in its endeavors.
